

## **GROUP LESSON SCHEDULE FOR SEPTEMBER 2011-JUNE 2012**

The calendar on the other side shows the exact days each group will meet throughout the entire school year. (It also shows my non-teaching days for private lessons.) Please mark these dates on your family calendar so you can plan ahead. Students are grouped primarily by level and age. If an irresolvable conflict arises, talk to me about your child coming to a different group, one level higher or lower. ***Please notify me at least 3 days in advance your child needs to come on a different day or must miss entirely. Group lessons missed without this advance notice will constitute an unexcused absence and payment for that lesson time will be expected.***
